After hours

I was in my local pub having a few drinks when the landlady and landlord approached me. The landlady suggested that I would be the ideal person for them to have a threesome with.

A few hours passed and it was closing time. The landlady came and sat next to me. She started to rub my leg and kiss me. Then her husband started to undress me before suggesting we all go upstairs.

When we were all naked he started touching us and kissing us both. Then he began to finger me and was laying on the bed next to me. The landlady was watching and playing with herself.

He then asked me how I like having sex and what position. I told him doggy style because you can ram your cock up me and give it to me hard.

The landlady lay underneath while her husband gave it to me hard.

We were kissing while he was banging me. Then she moved up the bed to position her pussy over my mouth.

I started licking her between her flaps and around her clit. After that we changed positions so he was fucking her hard from behind.

This went on for ages and when he was due to cum we swapped again so he could spunk inside me.

Once he had emptied his load inside me the landlady licked all of her husband's cum from my pussy.

I now meet up with the landlady and we give each other great oral sex – sometimes we even her husband join us.
Nicky, Sussex.

Total filth

I am a self-confessed slut and love cock in any hole. I work as a masseuse and have my own private parlour where I have plenty of opportunity for sexy encounters.

Although I'm a married woman my husband encourages my slutty behaviour because he enjoys cleaning me up after I've had messy sex with a total stranger.

We used to go to sex clubs where I would get fucked by as many as 100 men in one night.

I still don't care how many men I fuck at a time but I am down to about 100 a week now.

I love it deep, hard and dirty with men of all ages and

colours. My oldest partner was over 90 years old.

Being bi-sexual I have the best of both worlds when I go down on all fours to lick out a sloppy, freshly-fucked pussy while being fucked up the arse by a stiff cock.

If she has had anal sex I can enjoy the taste of spunk dribbling from her gaping bumhole.

Having sex several times a day makes me continuously horny and I become a completely shameless slag, willing to perform any perverted acts including arse to mouth after I've had the bejesus fucked out of me.

My husband knows that I'm a fucking dirty cow and encourages me to do perverted things like sitting on men and women's faces and peeing in their mouths.

Or eating them out while my husband and other men fuck me in the arse.

I love group sex where I am the queen bee, to be used by all as a cock hole whore, fuck toy and spunk depository.

Anyone can fuck me. My cunt and arse have been so well-used and stretched that I can take two cocks in each hole at the same time.

I find this so sexually exciting that I lose control during my intense multiple orgasms, shouting the bloody house down!

The final humiliation for me is when several men treat me like a worthless slut!

They soak me head to toe in hot cum as they verbally degrade me calling me slut, whore, slapper and slag.

Or they empty their nutsacks in my mouth and over my hair, tits and pussy.

It's then I really know what iy is to be a dirty used submissive!

Rona, Ipswich.

Having sex all the time gets me so horny that I become a completely shameless slag!

Letters to Julia

Dear Julia, Loving vol 29 no 9. Star Wife Suzi really deserved the accolade. I shall write to her the second I finish this! The Holy Twatrimony set was excellent. A quick word to Rex in your letters pages. Chin up mate, you're never too old. I'm 54 now, always sniffing and don't intend to stop till I'm in my fucking grave.
C. Adams, Milton Keynes.

Julia says: I'm sorry to hear about your cold, Mr A, but I suppose at your age the immune system starts to shut down. Oh, I see what you mean! Seriously, there's a few 18-year-old lads I know who could do with a pint of whatever you're on, you old goat!

Leanne

Dear Julia, I'm always amazed at the talent on show in *Escort*. My favourite by a long stroke (as it were!) is Leanne from Birmingham. She's got a wonderful smile, fantastic tits and the most inviting pussy. She's forty and fucktastic!
Barry, Essex.

Julia says: They say that's when your sex life begins! I can't wait to be 40! (*Again – Ed.*)

Dear Julia, Thank you for a brilliant mag. I adored the photos of Carole, Staffs in vol 29 no 8. What a very gorgeous, lickable, smackable fuckable, loveable bottom! What a wonderful rear view!

What a site for sore eyes! Or should that be sore wrists? All building site rules and regulations were torn up when Lexi turned up for a day's work. But with tits and twat like this she didn't need the high-vis jacket anyway!

As names go, Scarlet isn't very apt. We're thinking more blue judging by her attire and her attitude. But colours don't seem to matter to the 21-year-old Leeds lass because she likes it in the pink and the brown – at the same time. "If you've not had two cocks up you at the same time then you haven't lived," she reckons. "I've had loads of fucks but none of them have been as exciting as when I got done by two guys at once. It takes a lot to fill both my holes but they seemed to do the job without any problems and I rewarded them both with one almighty orgasm. It's just a shame I didn't have a third cock in my mouth to keep me quiet!"

Virgin record

My fuckbuddy John has taken me on loads of sexual firsts.

He was the first man to lick my pussy and make me cum. And the first guy I knew who shaved his cock and balls – I do love licking them!

I first met him after my divorce. I know many men think that size is important. It is!

My ex had a big 10 inch dick, thick and veiny. But, girls, size isn't everything when the man just thinks that all he has to do is plug you with his cock and fuck you.

[redacted]
Sacha, Tyneside

He sneaked his cock into my virgin arse

By contrast John has a cock not quite as impressive but his dick, his hands and his tongue more than make up for it.

Since John came on the scene everything has been amazing and totally different. His dick is always hard and I've cum all over it several times a night when I've been with him.

I can't believe that it took till I was 40 before I had an orgasm on a man's tongue!

But it's another first I want to tell you about. I knew John was coming to see me so I dressed in the basque you see in the photos.

My cunt was throbbing with expectation and my panties were wet.

When he arrived we were all over each other, tongues in mouths, his hands groping my trembling body.

He peeled off my panties to smell my pussy. He always does this when he's getting ready to eat it.

I told him I wanted his tongue and I don't know how many times I orgasmed before he took a break.

He suggested he give me a massage – which I was only too keen to have.

He lay me on the bed on my belly and, with his naked cock sometimes stroking my thighs, he started to oil my back and legs. Then, slowly, he worked on my globulous buttocks.

He asked me to raise my bum up, then he rubbed my arse in big circles, spreading the cheeks to work the oil in.

Then I felt his cock nudge the entrance to my most secret of holes.

I tossed him off with my panties round my fist

The sneaky bugger gently worked his cock into my virgin arse. The feeling was tremendous.

He gently fucked my botty

for ages until I came with a yelp, my arse muscles locking tightly around his hard cock. I loved it. Never had I felt the sensation of being so completely filled with dick.

As a reward for being a good boy I tossed him off with my panties round my fist.

Now he knows this is something I love just as much as him fucking my cunt.

Especially when I moan at him, “Fuck me in the bum, lover!”

I hope your readers like the pictures. It would be so amazing if you wrote to me and told me how much!

Sacha, Tyneside.

REAL WIFE SEX

Sasha, 22, Guildford

You can't beat boshing a bit of posh totty – and that's exactly what Sasha's boyfriend does…

When I first got together with my bird Sasha all of our friends said it wouldn't last. She was a bit of posh totty who went to a private school and loved riding horses while I left school at 15 and loved betting on horses.

Her mates said I was only into her for her money, my mates said she was just trying out the novelty of a bit of rough. They all agreed it would never last.What none of them knew however was that we had the best sex ever and is the reason why we're still shagging away.

I have to say Sasha is probably filthier than I am in the bedroom. I say the bedroom but she doesn't mind where we do it. When she's feeling horny we end up doing it in the kitchen, the bathroom, the garage, the pub toilets and even in the grounds of her parents' estate.

I'd fucked a lot of girls before I met Sasha and none of them had ever let me do them up the arse. She let me get my brown wings on the first date!

Anyway, I've got to tell you about the shag we had the other day. I wouldn't say it was the best or the craziest fuck we'd ever had but it's typical of what Sasha and me get up to – most nights.

Sasha is still a keen horse rider and she's got all the gear. While I don't accompany her on her visits to the stables I do like to see her dressed up in her jodhpurs. They show off the outline of her perfect arse and get me hard every time.

Last week Sasha came back from riding and she was still in her gear. I could see it was wet between her legs and while I know this was probably sweat I suspected it could be something else. It must have been because Sasha told me she was feeling rather horny – and wanted to ride my common dick.

I love it when she emphasises her posh demeanour, it's what attracted me to her in the first place. She treats me like her servant and I have to do everything she wants.

I primed her flaps with my spit

On this particular occasion she wanted me to get undressed – but not to touch her. I did as she said but couldn't conceal the fact that I already had a raging stiffy. When she saw it she gave it a gentle tap with her riding crop.

Then she ordered me to turn around and whipped my bum a couple of times before blindfolding me with her silk scarf. I couldn't see a thing but had the image of her fine body in my mind.

BI
SQUA

Sasha must have got naked because I then felt her body press against mine. She still had the riding crop and trailed it down my chest and over my stomach before reaching my stiff cock.

Then I felt her lips wrap around my bell-end. When it comes to sucking my cock Sasha isn't shy and she went to work on my fella with her usual enthusiasm. Her hands cupped my balls and often crept round to my arse, squeezing my cheeks or prodding my ring.

Every so often she would take my cock out of her mouth, tap it with the

LUE ALOR!

riding crop and then suck the whole lot again.

"Now you can lick my pussy, you cretin!" Sasha barked as she undid the blindfold and gave me a glimpse of her gorgeous snatch.

I could never get tired of looking at Sasha's beautiful cunt and I was certainly up for licking it at every opportunity. My tongue shot out like a lizard's as I primed her flaps with my spit.

Using a combination of my tongue and my fingers I soon got Sasha begging for more. Her legs were clamped around me and she was pulling my head closer on to her snatch. By the time she let me go my face was smothered in her sweaty cunt juices.

I pulled away and stood up with my cock pointing forward. Sasha opened her legs as wide as they would go and watched with glee as I guided my cock into her pussy.

I gave her my dick to taste

While our social upbringings aren't exactly identical, my cock and her pussy have always been a perfect match. I slipped right up her hole and in a matter of seconds I was pounding away faster than her horse could gallop.

Sasha let out a string of excited expletives, never compromising her posh accent. This turned me into a right filthy bastard and if she was to speak like she had plums in her mouth she was going to get my plums in her mouth.

I pulled my cock out of her cunt and dropped my balls in her gob. "Suck 'em," I ordered. Sasha mumbled something and then I felt the pull on my dangling ball bag.

Seeing stars

After you printed a small photo of my pussy in Escort vol 29 no 9 I never expected to get the amazing response from your readers.

Lying in bed with my husband Simon reading about all the dirty things people wanted to do to me was unreal.

A couple from Liverpool had left an email address and, not being the type of girl to hang around, we made contact.

We drove to Liverpool and checked into a hotel. We had arranged to meet in the hotel bar and by the time Samantha and Andy walked in we had had one drink and I was already moist.

The look on our faces must have told them this as Sam just smiled and said, “Why waste time in the bar?”, winked and led me towards the lift.

It was a blur getting to the room but as soon as the door closed I remember my pussy was tingling as Sam unzipped my dress and followed it down to the floor to find my throbbing clit with her tongue.

Andy and Simon watched us as I fell back on the bed with my hands holding her head in place.

Her tongue was firm and fast and I could feel myself about to cum. I looked up from my ecstatic trance to see Simon and Andy were naked and were wanking their cocks.

Sam stood up and told Andy to remove her dress. He slipped it over her head to reveal her slim naked pert-titted body. My eyes fell on her smooth shaven cunt, with lips just big enough to suck on.

Sam climbed on the bed, smiled and lowered her pussy on to my face. I was lost in the taste and feel of my first pussy. I had to catch my breath as I felt my pussy lips open gently and the tip of a hard cock slowly push into my hot sodden slit.

I didn't know whose cock it was but whoever it was found his rhythm quickly and fucked me long and hard. I opened

She passionately tongued my cum-filled cunt

my eyes and saw Simon standing beside the bed with his cock in Sam's mouth.

I was so excited to be fucked by a stranger that I pushed my tongue even harder into Sam's cunt and wrapped my legs around Andy to get him to fuck me more violently.

I didn't think it could get any better until Andy slipped a finger up my arse and came with a deep groan.

I saw stars and my mouth bucked all over Sam's cunt which must have sent her to the point of no return and she spasmed and came in a great flood of pussy juice all over my face.

Sam pulled Simon's cock out of her mouth, bent over with her cunt still in my face and tongued out my cum-filled clump with such passion I came again.

Simon saw her arse up in the air as an invitation so jumped in and fed his hard cock up her arse till his balls were resting on her soaking cunt lips.

The sight was so horny I began to gush all over the sheets, just as Simon pulled out of Sam's arse and jerked his cum off on her cheeks.

I never got to fuck Andy but maybe the next contacts will bring me my dream fuck!

Kelly, Birmingham.

Truck fuck

My wife Delia is very sexy and she will do anything. And I mean absolutely anything.

Her photos appeared in *Escort* recently and she received some very interesting replies. Being the total slut that she is she wanted to respond to every single one of them.

One of them that really caught her eye – and her imagination – was from a lorry driver called Ben. She decided to get in touch with him for some fun.

> **He had a massive cock and my wife loved sucking it**

We arranged to meet up with Ben and then the three of us went to a few public places so Delia could do some of what she does best to get her horny – flashing her cunt to total strangers.

After Delia had done enough flashing and got herself in the right mood we went back to Ben's lorry. It was parked in a secluded lay-by so he could have his fun with my wife in his cab while I watched and took photos.

He had a massive cock and my wife loved sucking it. Then Ben and I took turns fucking her. We ended up spunking in her cunt, in her mouth and all over her tits.

Delia's got lovely big nipples and loves having them played with and sucked. She also has a big cunt and has had everything stuffed up her from sex toys to fresh marrows.

Ben loved licking her out and having his cock up her. It was a real turn-on for me and my wife as we had never fucked in a lorry with a bed in it before. Come to think of it we had never fucked in a lorry before!

I watched as she lay there with her legs spread wide open to take Ben's length. She seemed to love every stroke as he pounded in and out of her sopping cunt.

Every now and then I would swap places with Ben so that I could ram my cock up Delia's twat.

Eventually Delia announced she was so sore from Ben and I fucking her so hard over and over again that she wanted us to lick her out.

We did that, making her cum in minutes and telling us that it was the filthiest fuck she'd ever had.

So we arranged to meet Ben again, but next time we were going to take him back to our place for a more comfortable fuck. I can't wait for that to happen.

Pete, Plymouth.

Two young twat-tonguing tartlets might seem to have it all going on. But they're missing something. It might not be obvious from these pics but it's probably in your hand right now. It is in ours. We're all one-handed typists here, you know. "Twat's great, but it's no substitute for a hard veiny cock. We'd love to have one here and it's turning us on thinking how we're making you hard!"

"I'm just an old-fashioned girl who likes to be taken out and shown a good time," grins Carla, cupping her boobs in her hands. "But I expect you to try it on at the end of the evening. I'll almost always say yes. Three lads were chatting me up in the pub the other day. I quite fancied one of them but I let all three of them walk me home. On the way, I dragged them down an alleyway and told them to show me what they were made of. They pulled out their cocks and I sucked them all in turn. Then I got bent over and they all took turns fucking me till my pussy was overflowing with jizz. It was great!"

"Nat's a natural at it," reckons Kyra. "She's got a way with her hands that gets me moist between the legs. She's such a tease because she was rubbing close to all my sensitive parts but not actually touching them. Eventually I had to grab the baby oil and start rubbing her up. My fingers were ramming her cunt with such speed I made her cum in minutes. After that mucky malarkey both our twats were dripping wet and the juices went everywhere!"

REAL WIFE SEX

Sasha's story continued from page 21

When I'd had enough of her sucking my nuts I pulled them out and gave her my dick to taste. She licked the tip to experience her own cunt juices and then I plunged it in.

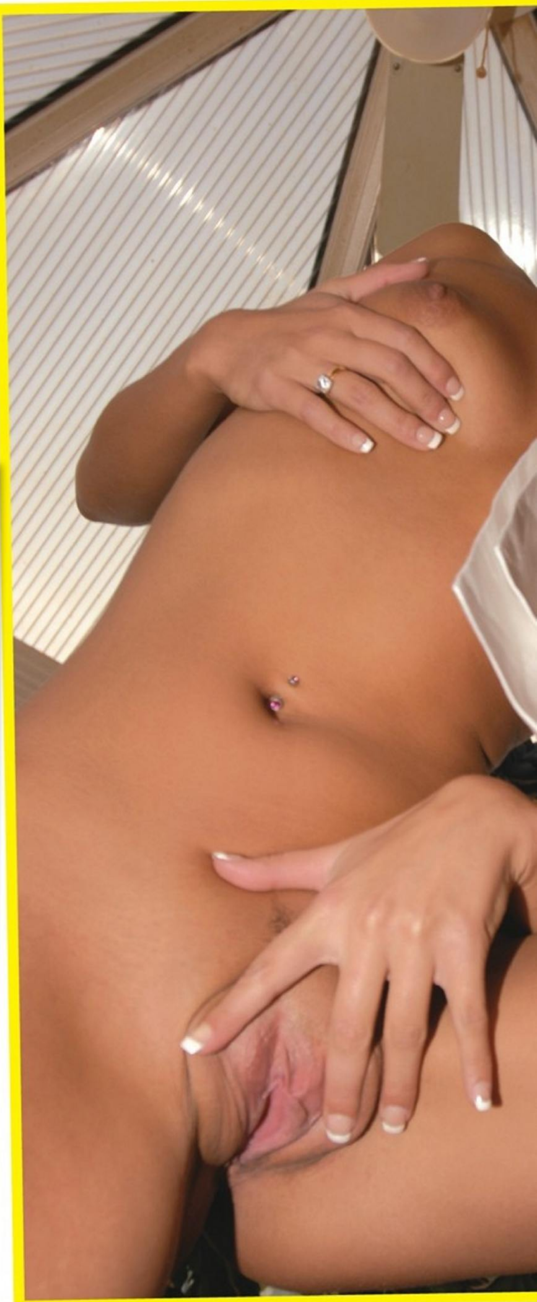
Sasha loves deep-throating my cock and managed to get me so close to cumming I had to pull out. As soon as I withdrew she took charge again and demanded that I fuck her arse.

I turned her round and spread her perfect bum cheeks. Rather than stick my cock right up there I thought I'd give myself a bit more staying power so I started licking her ring.

Sasha wriggled every time I swept her hole with my tongue. She began swearing again and begging me to stick my cock up there. What the lady of the house wants, the lady of the house gets so I stood up, positioned myself and stuck it in.

She groaned as my cock burrowed up her backside. When I was in to the hilt I started pulling back and forth very slowly to the sound of further moans.

Eventually, when Sasha got used to the anal intrusion she begged me to speed up. Once again I did as she said but spying the riding crop to my side gave me an idea and I picked it up.



At first I lightly whipped her cheeks as I did her up the bum. Then I reached round with the crop and began to swat her pussy lips. Sasha yelped with each stroke and this encouraged me to increase the tempo.

> **I started licking her ring**

By this time Sasha started yelling and told me she was about to cum. Her movements were so spasmodic I pulled my cock out of her arse until her orgasm was over. Then I got her to turn round and wank me off.

With both Sasha's hands pulling on my cock and my own pelvic thrusts I soon had that feeling in my balls. A few more tugs is all it took before a torrent of my dirty seed sprayed out.

The cum splashed all over Sasha's face and try as she might with an open mouth she couldn't catch it all. Seeing the posh tart with her face covered in my muck always gave me a smug feeling of satisfaction. But obviously not as satisfying as having my balls emptied!

Tammie

Tammie

There's a lot of talk of swine flu vaccine Tamiflu at the moment. Which got us thinking in between lunchtime pints what sort of virus Tammie-flu would be. We're guessing Tammie-flu symptoms include heavy breathing and an unsightly swelling in the crotch, lasting for the rest of the day after seeing these pictures. Massage of the swelling can relieve these symptoms, although have clean dressings ready for any leakage. Failing that, try to get Tam to suck you off — it's not like she can catch anything, is it?

Bottoms up

My fella said he wanted to take me out for a special night. I thought we were going for a meal but he picked me up and took me to a hotel room where he said he'd love to taste me.

He pushed me on to the bed and it was quite lucky for him that I hadn't worn any underwear that evening.

I opened my legs wide as he plunged his tongue into my pussy. He pushed it deeper and deeper until I came, gushing all over his tongue.

I pulled him off and got his big bulging cock deep in my throat. It wasn't long before he pumped his load right down my throat.

My pussy was soaking wet by this time so I sat on his face and rode him like never before.

We were getting well into a deep 69 when there was a knock at the door. It was the waiter bringing up a bottle of champers.

He just stood there gawping at us until I told him to join us.

The waiter got undressed and poured the champagne all over us. We started licking it off each other's bodies and once again I opened my legs wide.

I grabbed the cork and started inserting it into my soaking pussy. The waiter took this as an invite and started fucking me.

My fella shoved his cock back in my mouth and the pair of them pushed as deep as they could possibly go in

Pillow talk

I read my husband's copy of *Escort* regularly – he hides it under the bed.

I'm always enthralled by the letters but although I find them a turn-on, I never believed they were true until recently.

We went to a party and my husband brought back his mate Paul to stay over in our spare room.

My husband went early to work the next day. Having seen him off to work I decided to take Paul some tea and toast as he had a day off.

I tapped lightly at the door and entered. I got the shock of my life. Paul was fast asleep, naked on the bed, sporting the biggest erection I'd ever seen.

Paul stirred and woke up as I stood there in amazement. I expected him to pull the covers up but he just gave me a sleepy smile and murmured, "See anything you like?"

"It's so big," I stammered.

I placed the tea on the bedside table and went to leave but he grabbed my arm and pulled my hand towards his massive stonk-on.

I started to rub my palm up and down his throbbing shaft.

I wanked him off slowly as he French kissed me. He wrapped his arm around my shoulder and pushed my head down towards his mammoth member.

I kissed the tip and licked around his purple helmet.

Then he put his own hand round his dick and started wanking it, the bell-end still jammed between my lips. His hand kept my head steady as he fucked into it.

Within a minute or two I could feel him pumping into my mouth. My husband likes me to take his cum but this was something else – jet after jet of hot sweet cum.

I managed as much as I could but still some dribbled out of the corners of my

either hole.

I came – then so did the men. I told them there was still one more hole that needed filling. I sat on the waiter and rode him while my fella entered my arse.

Then we had another surprise. A waitress arrived at out room and so once again we invited her to join us.

The guys moved out of the way and let her start sucking on my tits and fingering me. Then we began licking each other out and the men joined back in.

We ended up sucking them off until they came all over us before the waiter and waitress returned to work leaving me and my fella to carry on the fun.

mouth and down his fuck-flesh.

After he'd recovered he pulled off my dressing gown and ripped my knickers off. "Your turn," he said.

He parted my trembling thighs and went down on me. He was sucking and licking me for ages, occasionally fingering me until I shook with pleasure.

Then he climbed on to me. I looked down with pleasure to see his rigid rod entering me.

I was wet as hell and he slid easily into me, right up to his hairy hilt. Then he started to fuck me – my God, it was good. He dicked me for about ten minutes in every position. My boobs were bouncing about everywhere and I was swearing like a trooper as he gave me the shafting of my life.

We had hours till my husband came home and we made the most of it! It's improved my sex life no end, as you can see from these pictures.

In the mood

My boyfriend Terry is a lot older than me at 42 (I'm 20). I like older men and big cocks, so he is perfect for me.

We go to a club in town every week, and there is this bloke called David who's always down there. I have had my eye on him for ages.

David was banging the fucking hell out of me...

I had him down as about 40-45 and not bad looking. I really wanted his cock and I told Terry I was going to go for it one night.

After a few drinks I got chatting to him. We had some drinks together and he was eyeing me up the whole time. We were both up for it so Terry asked him if he'd like to come back to ours for a late night drink.

Well in the taxi back I felt horny as fuck sitting between them. I had one hand on both of their legs, inching up their thighs. I could feel both of them had big hard-ons.

Once inside I sat in the middle of the sofa and started taking my clothes off. David had a really thick cock, bigger even than Terry's.

Now we were all undressed I stuffed Terry's cock into my mouth and started to lick and suck it all the way down the shaft.

He had his fingers inside my moist pussy and Terry was wanking like mad. Then I positioned myself right on the edge of the sofa and told David to fuck me.

Gently at first he pushed his cock inside me. Then he really started to bang me. I told Terry to get up by my side and I took his cock deep into my mouth.

David was banging the fucking hell out of me and it wasn't long before I felt his spunk firing deep inside my cunt. Then Terry let me have his load and I sucked every last drop out of his cock.

After a little rest we all went to the bedroom. The spunk was still running out of me as I was walking up the stairs.

Once in bed I had both David and my boyfriend doggy-style. To feel David's cock so deep in me was fucking good, he just rammed it so deep.

I came at the same time as he did and as soon as David finished, Terry climbed on. We fucked hard all night and the next morning I was sore but keen to do it all again.
